

Tasks I must complete each week:

Reading

You must read a minimum of 4 times each week. Please record all reads in your child's reading record. Reads will be checked on Fridays.

Spelling

Please continue to practise the CEW words that we sent home last term. These words are common exception words meaning that they cannot be sounded out. They just need to practice them! 😊

Times Tables and number bonds

There will be a weekly skills check on a Friday where the children will be tested on their current number bond or times tables.

Please help them to practice this each week.

This term, I can choose to do:

Being a Scientist:

- Write a plant diary tracking the growth of a plant in your garden or local area

Being a geographer:

- Create a fact file for a plant that lives in a different environment to ours – e.g. snowy or desert.

Being an artist:

- Create a picture of your favourite flower or tree – be creative with the materials you use – you could collect things from outside and make a collage!

Life skill:

- Look at our zones of regulation pictures. With a trusted adult, talk about a time when you were in each of the zones.
