

Abbotswood Primary School Homework – Term 4

Year 3

Tasks I must complete each week:

Reading

Your child should be reading at least 4 times a week. This can be their school reading book, library book or a book of interest to them. All reading book and records should come in to school EVERY FRIDAY.

Spelling

All children have been put into groups that match their current attainment. Those who receive phonics teaching will be given a phonics task. Children who are in one of the spelling groups will need to access their group spelling on the class page on the school website. Spelling should be practised 5 times a week to help your child learn them.

[Spelling: Read, Write Inc](#)

Times Tables

All children have their login to TTRS in their reading records. Please make sure you help your child to learn their times tables.

Practise these 4 times a week or more.

REMEMBER we can see how much is being done!

[Times Tables Rock Stars](#)

This term “What is underneath our feet?”, I can choose to do:

As a scientist:

Collect pretty rocks or rocks that interest me and do observational drawings.

As a scientist:

Do a flow diagram of how a fossil is formed.

As an athlete:

Learn the moves to a dance.

As a philosopher:

Create a poster thinking about what it takes to lead a healthy life.

As a geographer:

Watch videos of volcanoes exploding. Explain how volcanoes are formed.

As an author:

Draw and write a character description of an animal you have grown from seed – real or fictional!
