

Abbotswood Primary School Homework - Term 1 Year: 5

Tasks I must complete each week:			
<u>Reading</u>	<u>Spelling</u>	<u>Maths</u>	<u>Grammar</u>
Please read at least 4 times a week and record in your reading record. Remember in year 5 you can do this independently.	Please see the separate sheet for the spellings we are focusing on this term. We have also attached a list of the Year 5/6 common exception words too.	New task to be completed on prodigy.com each week.	New task to be completed on SPAG.com each week.
This term, I can choose to do:			
Being an artist: Create your own 3D model planet. 	Being an author: Write a fact file on a chosen planet in the solar system.	Being a scientist: Keep a moon diary noting what shape and colour the moon is each night. 	
Being an artist: Use scrap paper, foil, sweet wrappers and other junk around the house to create your own space collage.	Being an author: Create your own mnemonic to help you remember the order of the planets. 	Being a scientist: Write or draw 10 things you would take in your suitcase to board the International Space Station. 	
Please think about your presentation – present your work in a neat, fun and creative way. We look forward to seeing your creations! If you need logins for any of these sites or would like to send in any photos of homework, please email: Parents@abbotswoodprimary.org.uk. With your child's teacher as the subject.
