

This term in Year 2

It's Term 4! We all hope you have had a restful half term. We are now half way through the year! Read on to find out all about what we are up to this term. We have another busy term planned. :)

We have 2 great enquiries this term. We will be completing our current enquiry: How can we help? Then, we will be starting our new one in a few weeks: How to plants grow near us?'

As always, do not hesitate to speak to us if you have an queries or questions.

Miss Jones, Mrs Brown and the Year 2 team :)

Maths

As **mathematicians** this term we will be looking at the measure units. We will start by learning how to measure cm and m. Then later in the term moving onto measuring weight, capacity and temperature.

As you already know, we do our weekly times table checks. Please support your child with learning these key skills.

English

Our quality texts for this term are ... 'Charlie's Superhero underpants by Paul Bright and The Disgusting Sandwich by Gareth Edwards These books will bring our learning to life and help the children learn some key skills. As **writers** we will be learning how to use conjunction and noun phrases and recapping all the skills we have already learned in year 2.

Enquiry

We are just coming to the end of our enquiry '**How can we help?**' where we are creating a stop motion animation showing an act of kindness. We will be using plasticine to create sculptures for this.

Then, we will move onto '**How do plants grow near us?**'. We will explore this as scientists and geographers. As **geographers** we will be looking at our school environment as well as further afield, thinking about how plants survive in various climates, including oceans and around the world. As **scientists** we will be thinking about what a plant needs to survive, planting our own seeds to watch them grow and test out

RE

This term we are exploring the question 'How important is Jesus to Christians?'

Computing

This term we be learning about animations and create our own stop motion animation.

PE

Our skills in PE this term are **dance and basketball** .

Both classes will have PE on Mondays and Thursday.

Please ensure your child come in PE kit on these days.

PSHE

This term we are exploring the topic 'Healthy Me'

Music

We will learning to recognise different sounds through our voices and instruments
