Abbotswood Primary Needs You!

Join Our School Governing Board!

Are you passionate about education and making a difference in the community? Abbotswood is looking for committed individuals to join our Governing Board as School Governors.

About the Role:

As a governor, you will play a key role in shaping the strategic direction of our school, ensuring we continue to offer high-quality education for all our students. Governors work closely with the headteacher and senior leadership team to set policies, manage school finances, and monitor performance.

Key Responsibilities:

- Strategic Leadership: Help set the vision and strategic goals of the school.
- Accountability: Hold the senior leadership team to account for the educational performance of the school.
- Financial Oversight: Ensure school resources are managed efficiently and effectively.
- Community Engagement: Act as a bridge between the school and the community, ensuring the voices of parents, staff, and the wider public are heard.

What We're Looking For:

- No specific experience in education is required, but a passion for improving children's learning is essential.
- Commitment to attending meetings and working collaboratively with fellow governors.
- A willingness to engage with training and development opportunities.
- A variety of skills from different backgrounds (finance, HR, education, legal, marketing, etc.) would be beneficial but not required.

Why Become a Governor?

- Make a Difference: Help improve outcomes for children in your community.
- Develop New Skills: Gain valuable leadership experience.
- Meet New People: Join a team of like-minded individuals committed to positive change.

Time Commitment:

Typically, governors attend termly meetings, with additional committees or working groups that may require extra time. Training and support will be provided to all new governors.

How to Apply:

If you're ready to contribute to the success of our school and make a real difference, we'd love to hear from you! Please email admin@abbotswoodprimary.org.uk with a brief outline of why you're interested and any relevant experience.
